

# ORTHOPAEDIC FOOT & ANKLE OUTREACH & EDUCATION FUND

*The OEF mission promotes and executes the mission of the AOFAS in advancing research, education, and humanitarian service.*

## RESEARCH – *Research Grants Program*

Research grants awarded annually by the AOFAS, with financial support from the OEF, have resulted in innovative insights in foot and ankle care, presentations at AOFAS and other educational meetings, articles in *Foot & Ankle International* and other specialty journals, and larger grants from national funding sources.

## EDUCATION – *Traveling Fellowship Awards Program*

AOFAS members are selected annually to travel and visit leaders in foot and ankle research and education. Supported by the OEF with a grant from DJO Incorporated, the AOFAS Traveling Fellowship Awards Program is designed to spur new thinking on clinical care and research and foster collegial international relations among foot and ankle specialists.

## HUMANITARIAN SERVICE – *Overseas Outreach Project to Vietnam*

The Society's annual overseas medical project, funded by the OEF, provides corrective surgery to Vietnamese children and adults with lower limb deformities due to polio, cerebral palsy, club foot and injury. The project includes an educational conference in which information on surgical care and rehabilitation is shared with Vietnamese orthopaedic surgeons.
