Ankle Fractures: Technology Helping with Common Problems- Can We Justify the Cost?
Terrence M. Philbin, DO
Christopher W. Reb, DO

Incidence of ankle fractures
Increased with epidemic of osteoporosis

What is new with ankle fractures
Biologics
Locked Plates
IM Rod
Intraop CT for Syndesmosis

Can we justify the cost?
Minimize complications
Higher risk patients
Early weight-bearing/return to work

In house IM nail study
Further research is needed

Intraop CT for syndesmosis?

**Fibula Nail vs Plate and Screws?**

**Locking vs. Nonlocking for Fibula**
