

2019 RESIDENT SCHOLARSHIP PROGRAM APPLICATION

The American Orthopaedic Foot & Ankle Society will award scholarships for orthopaedic residents to attend the AOFAS Annual Meeting in Chicago, Illinois, September 12-15, 2019. US and Canadian orthopaedic residents who are PGY1, PGY2 or PGY3 during the 2018-19 academic year and who have an interest in foot and ankle surgery are encouraged to apply.

This is an opportunity to attend the AOFAS Annual Meeting, learn more about foot and ankle surgery, and network with leading foot and ankle surgeons. The annual AOFAS Resident Scholarship Program covers registration fees for the Annual Meeting and the Young Orthopaedic Surgeons Forum. The scholarship also includes a transportation stipend and covers the cost of four nights' lodging.

ELIGIBILITY

Applicant must be an orthopaedic surgery resident in first, second or third year of training (excluding time spent in research) in a US or Canadian training program, demonstrate enthusiasm for and have a sincere interest in foot and ankle surgery, be in good academic standing, and obtain recommendation from his/her orthopaedic training program director.

INSTRUCTIONS

1. **Application form and supportive material must be received by March 4, 2019.** Incomplete applications or those received after this date will not be considered.
2. The application is a fillable PDF form. **Please complete using a PC (not a Mac).** Use the tab key to advance to each field. Please save the completed application to your computer prior to submission.
3. Write a personal statement (not to exceed 500 words) describing your interest in foot and ankle surgery, what you hope to learn from the experience, and how you will share what you've learned.
4. Ask your orthopaedic training program director to write a letter of recommendation for you detailing your interest in foot and ankle surgery and email to membership@aofas.org.
5. Email the completed application form along with your CV and personal statement to membership@aofas.org.

Dynamic. Decisive. Dedicated.
