Surgical Complications of the Foot and Ankle

Putting the Band Back Together

November 5-7, 2015
Tampa, Florida

Course Chair:
Steven L. Haddad, MD

www.aofas.org/surgicalcx

Getting it straight ...

Save $100 when you register by October 15
COURSE OVERVIEW
This course will address complications of both basic and advanced surgical foot and ankle procedures – how to identify potential complications and how to successfully resolve complications that do occur. Case-based discussions and didactic lectures led by leading national experts will tackle the forefoot, midfoot, hindfoot and ankle surgery, including failed total ankle replacement.

As in the past, participants will be able to submit cases in advance for faculty discussion. Participants will leave with a structured, algorithmic approach to manage complications for these procedures and conditions.

WHO SHOULD ATTEND
This course is designed for the experienced foot and ankle surgeon, the generalist orthopaedic surgeon interested in expanding their scope of practice into foot and ankle, post-residency fellows who treat acute and chronic problems of the foot and ankle, and allied health professionals who work in foot and ankle care.

COURSE OBJECTIVES
Upon completion of this course, learners should be able to:

• Identify ways to avoid, analyze and manage complications
• Describe the pathoanatomy of complex foot and ankle problems
• Apply an algorithmic approach to manage complications of the forefoot, midfoot, hindfoot, and ankle
• Determine and apply strategies to improve patient outcomes

STATEMENT OF NEED
A need for this educational activity has been determined based on previous course evaluations and the AOFAS educational curriculum. The content of this course was based on current issues and topics provided by AOFAS membership and leadership.

For more information on the AOFAS CME mission, visit www.aofas.org.
YOUR TURN - SUBMIT YOUR CASES
Attendees will be able to submit their own de-identified cases in advance of the course for consideration for discussion at the course. Submission instructions will be sent to registered attendees closer to the meeting date, and presenters will be notified in advance if accepted.

ACCREDITATION
The American Orthopaedic Foot & Ankle Society (AOFAS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians.

AMA PRA CREDIT
The American Orthopaedic Foot & Ankle Society (AOFAS) designates this live activity for a maximum of 17 AMA PRA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Course participants are required to submit a completed evaluation form at the end of the course in order to receive CME credit.

DISCLOSURE
The AOFAS requires all instructors, planners and other individuals in a position to control or influence the content of an educational activity to disclose all relevant financial relationships or affiliations during the past 12 months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on patients). All identified conflicts of interest must be resolved and the education content vetted by the AOFAS for fair balance, scientific objectivity and appropriateness. The AOFAS also requires faculty to disclose when off-label/unapproved uses of a product are discussed in a CME activity. The AOFAS attests that the persons responsible for the development of this educational activity did so independently and were not influenced by commercial supporters. All financial disclosures will be provided to meeting attendees in the final program materials.

DISCLAIMER
The methods, techniques and procedures demonstrated and views and opinions expressed by speakers, presenters and faculty during this continuing medical education program are their own, and do not represent those of the AOFAS nor does presentation on the program represent or constitute endorsement or promotion by the AOFAS. The AOFAS expressly disclaims any warranties or guarantees, expressed or implied, and shall not be liable for damages of any kind in connection with the material, methods, information, techniques, opinions, or procedures expressed, presented or demonstrated.
THURSDAY, NOVEMBER 5

1:00 – 1:05 pm Welcome and Course Introduction
Steven L. Haddad, MD, Course Chair

Session One: The Forefoot
Part 1: The First Ray

Bunions:
Moderator: Mark E. Easley, MD

1:05 – 1:15 pm Recurrence Through Unrecognized Increased DMAA: Next Step
Steven L. Haddad, MD

1:15 – 1:25 pm Post Operative Arthritis: Can It Be Managed Without Arthrodesis?
Gregory C. Berlet, MD

1:25 – 1:35 pm Failed Implant Arthroplasty: How to Guarantee a Successful Arthrodesis
J. Chris Coetzee, MD

1:35 – 1:45 pm Turf Toe Hallux Flexus: The End of My Playing Days?
J. Chris Coetzee, MD

1:45 – 2:45 pm First Ray Failure Case Presentation
Moderator: Mark E. Easley, MD

2:45 – 3:30 pm Break in Exhibit Hall

Session One: The Forefoot
Part 2: The Little Piggies

Lesser Toes:
Moderator: William C. McGarvey, MD

3:30 – 3:40 pm Bone Loss Following Hammertoe Correction: Can the Toe Be Salvaged?
Gregory C. Berlet, MD

3:40 – 3:50 pm Off With Its Head: Transfer Metatarsalgia in a World of Sacrifice
Gregory C. Berlet, MD

3:50 – 4:00 pm The Floating Post Surgical Correction Toe: Two Millimeters Worth the Mental Torture?
James R. Holmes, MD

4:00 – 4:30 pm Lesser Toe Failure Case Presentation
Moderator: William C. McGarvey, MD

Program subject to change
Program Information

Session Two: Trauma 1
Moderator: Timothy R. Daniels, MD

4:30 – 4:40 pm  Jones Fracture Recurrence: Pray the Screw Doesn’t Break  
J. Chris Coetzee, MD

4:40 – 4:50 pm  Lisfranc Recurrence: Was Coetzee Right All Along?  
Mark E. Easley, MD

4:50 – 5:00 pm  Navicular Fracture Rebound: Can Avascular Bone Be Repaired?  
William C. McGarvey, MD

5:00 – 6:00 pm  Metatarsal, Lisfranc, and Navicular Fracture Case Presentation  
Moderator: Timothy R. Daniels, MD

6:30 – 8:00 pm  Welcome Reception in Exhibit Hall

FRIDAY, NOVEMBER 6

6:45 – 7:25 am  Breakfast in Exhibit Hall

7:25 – 7:30 am  Welcome and Announcements

Session Two: Trauma 2
Moderator: James R. Holmes, MD

7:30 – 7:40 am  Syndesmotic Ligament Recurrent Splaying: When the Tow Rope Breaks  
Gregory C. Berlet, MD

7:40 – 7:50 am  Talar Neck Fracture Varus Malunion: Avoiding Arthrodesis  
Timothy R. Daniels, MD

7:50 – 8:00 am  Calcaneal Fracture Malunion: Beyond the Bone Block  
Steven L. Haddad, MD

8:00 – 9:00 am  Syndesmosis, Talus, and Calcaneus Fracture Case Presentation  
Moderator: James R. Holmes, MD

Session Three: Midfoot
Moderator: J. Chris Coetzee, MD

9:00 – 9:15 am  Malunion, Midfoot Collapse, and Bone Loss: The Three Phrases You Don’t Want To Hear From Your Spouse  
William C. McGarvey, MD

9:15 – 9:25 am  Potpourri 1: Taking Out an Accessory Navicular Should Be Simple: Why the Persistent Pain?  
Mark E. Easley, MD

9:25 – 9:35 am  Potpourri 2: Failure of the Cuboid to Support Its Weight  
James R. Holmes, MD

Register Now! www.aofas.org/surgicalcx
9:35 – 10:15 am Midfoot, Accessory Navicular, and Cuboid Pain Case Presentation  
*Moderator: J. Chris Coetzee, MD*

**10:15 – 11:00 am Break in Exhibit Hall**

**Session Four: Sports 1**  
*Moderator: Gregory C. Berlet, MD*

11:00 – 11:10 am  The Canadians Told Me Not to Fix The Achilles: Can Power Be Restored?  
*James R. Holmes, MD*

11:10 – 11:20 am  When Insertional Achilles Tendinosis Creates Re-Rupture Following Haglund’s Resection: What’s Next If The Flexor Hallucis Longus Isn’t Enough?  
*William C. McGarvey, MD*

11:20 – 11:30 am  Patient Instability Outweighs Surgeon Instability: Recurrence Following Ligament Repair  
*Timothy R. Daniels, MD*

11:30 am – 12:30 pm Achilles and Lateral Ligament Case Presentation  
*Moderator: Gregory C. Berlet, MD*

**12:30 – 1:30 pm Lunch in Exhibit Hall**

**Session Four: Sports 2**  
*Moderator: Timothy R. Daniels, MD*

1:30 – 1:40 pm  Recurrent Peroneal Tendon Ruptures: Tendon Transfers vs Put in a Dead One … Really?  
*Mark E. Easley, MD*

1:40 – 1:50 pm  The Groove Deepening Couldn’t Eliminate the Snap: Options for Persistent Peroneal Tendon Pain  
*J. Chris Coetzee, MD*

1:50 – 2:00 pm  Can You Cut The Heel Successfully In An Athlete for Underpowered Correction?  
*James R. Holmes, MD*

2:00 – 2:45 pm Peroneal Tendon and Calcaneal Osteotomy Case Presentation  
*Moderator: Timothy R. Daniels, MD*

**Session Five: Flatfoot**  
*Moderator: Mark E. Easley, MD*

2:45 – 2:55 pm When You Thought the Foot Couldn’t Get Any Flatter: Failed Lateral Column Lengthening in the Hypermobile Patient  
*Steven L. Haddad, MD*
2:55 – 3:05 pm  The Ping Pong Match: Correcting the Medial Column Loading Leads to Lateral Column Loading: What’s next?  
Timothy R. Daniels, MD

3:05 – 3:15 pm  Failure of Tarsal Coalition Resection: Should Deformity Be Corrected?  
William C. McGarvey, MD

3:15 – 4:00 pm  Flatfoot Complication Case Presentation  
Moderator: Mark E. Easley, MD

4:00 – 4:45 pm  Break In Exhibit Hall

**Session Six: Cavovarus Foot**  
*Moderator: J. Chris Coetzee, MD*

4:45 – 4:55 pm  Failure of Joint Preservation Surgery: Maybe You Should Be Studying the Subtalar Joint More Carefully  
Timothy R. Daniels, MD

4:55 – 5:05 pm  Complications of the Calcaneal Osteotomy  
James R. Holmes, MD

5:05 – 5:15 pm  Persistent Lateral Overload Due to Missed Rotational Deformity: How To Address the Midfoot and Hindfoot  
Steven L. Haddad, MD

5:15 – 6:00 pm  Cavovarus Complication Case Presentation  
Moderator: J. Chris Coetzee, MD

**SATURDAY, NOVEMBER 7**

6:45 – 7:25 am  Breakfast in Exhibit Hall

7:25 – 7:30 am  Welcome and Announcements

**Session Seven: Hindfoot Arthrodesis**  
*Moderator: William C. McGarvey, MD*

7:30 – 7:40 am  Fuse One Joint and It Fails, Fuse Three Joints and It Fails: Salvage of Adjacent Joint Failure (and Ways to Recognize the Impending Doom!)  
James R. Holmes, MD

7:40 – 7:50 am  Progressive Subtalar Arthritis Following the Mal-Aligned Ankle Arthrodesis: Takedown Fusion vs Additional Fusion: Challenges in Both Methods  
Mark E. Easley, MD

7:50 – 8:00 am  Potpourri 3: Making Nonunion a Thing of the Past!  
Timothy R. Daniels, MD

**HOTEL**

Hilton Tampa Downtown  
211 North Tampa Street  
Tampa, Florida 33602  

Experience the vibrant atmosphere of downtown Tampa from the comfort of the Hilton Tampa Downtown. The Hilton is located only minutes from a variety of local businesses and leisure attractions. The hotel offers a convenient trolley service that travels to popular entertainment options including: the Tampa Bay Times Forum, Channelside Bay Plaza, the Florida Aquarium, and Ybor City.

A block of guest rooms is being held at the reduced rate of $155 single or double occupancy (plus applicable taxes, currently 12%) until October 15, 2015 or until the block is sold out, whichever comes first. This reduced rate is also offered three days pre- and post-meeting, based on availability. All reservations must be accompanied by a credit card guarantee.

**Hotel Reservations**  
(available 24 hours/day):

- **Phone:** 813-204-3000 - Reference “AOFAS Surgical Complications Course”
- **Online:** Use the direct link below:  

**Parking / Driving**  
Self-Park: $16 per day; Valet: $20 per day

**TRAVEL ASSISTANCE**

For personal, professional travel service contact Ms. Tomi Gaudio, the preferred travel account manager for the AOFAS.

COURSE POLICIES
Course sessions, food functions and exhibits are for course participants only. The AOFAS regrets that spouses, families and unregistered staff are not permitted in these areas. If you have not received your registration confirmation within one week of your departure for the course, please contact the AOFAS Executive Office at aofasinfo@aofas.org or call 800-235-4855 or 847-698-4654 (outside US). The AOFAS will not be responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the course.

The AOFAS may photograph you as you participate in this course and related activities. Photos may be used by the AOFAS in future materials.

Photography and recording of the sessions by attendees is strictly prohibited.

CANCELLATION / REFUNDS
Requests to cancel registration and obtain a refund must be received in writing at the AOFAS Executive Office by the deadlines shown.

AOFAS
Mail: 9400 W Higgins Rd Ste 220
Rosemont, IL 60018-4975
Fax: 847-692-3315
Email: registration@aofas.org

REGISTRATION DEADLINES
• October 8, 2015
  Deadline for 100% Cancellation Refund
• October 22, 2015
  Deadline for 50% Cancellation Refund
  (Less $100 processing fee)

The AOFAS reserves the right to cancel the course 30 days prior to the course date. Should this occur, course registrants will be notified by email or mail at the address indicated on the registration form. Persons who registered at least 30 days prior to the date of course cancellation will also be contacted by telephone. Registration fees will be refunded in full. However, costs incurred by the registrants, such as airline or hotel penalties, are the responsibility of the registrant.

YOUR SUPPORT IS NEEDED
The Orthopaedic Foot & Ankle Foundation (The Foundation) is a 501(c)(3) nonprofit organization that helps provide funding for essential AOFAS programs for research, education such as this course, and humanitarian service.
