You’re Invited!

Dear Colleagues:

On behalf of the AOFAS Board of Directors, I invite you to join us July 15-18, 2015 at the Long Beach Convention Center for the premier event for orthopaedic foot and ankle specialists – the AOFAS Annual Meeting. The meeting combines the best in education, the latest in technology, and the opportunity to network with colleagues from all around the world.

Program highlights include:

- **Pre-meeting Course, An Update on Arthritis of the Foot and Ankle**, chaired by Jeremy McCormick, MD
- **Seven focused symposia** presenting the latest research and approaches
- **Fifteen scientific paper sessions** featuring more than 70 presentations
- Invited guest speakers on key research topics
- More than 300 ePosters
- Optional activities, including the Research Forum and Young Physicians Forum
- Industry satellite symposia and an Exhibit Hall featuring the latest products and services

Special thanks to Justin Greisberg, MD, and his Program Committee, for assembling an outstanding scientific program, and to Ronald Smith, MD, Local Host Committee Chair, along with local hosts David Lee, MD, and Michael Strauss, MD, who have selected local events to showcase our meeting venue this year. The ease of travel access, the beauty and history of the seaport setting, and the sunshine and warmth of southern California come together to create the ideal backdrop for this year’s AOFAS gathering.

I look forward to seeing you in Long Beach!

— Bruce J. Sangeorzan, MD, AOFAS President

---

**TARGET AUDIENCE**

This educational program is designed for orthopaedic surgeons, physicians and allied health professionals in the field of orthopaedic foot and ankle surgery.

**EDUCATIONAL OBJECTIVES**

At the conclusion of the Pre-meeting Course and Annual Meeting, learners should be able to:

- Recognize and assess current data reflecting clinical trends, emerging surgical techniques, pre- and post-operative procedures, and technological innovations in orthopaedic foot and ankle surgery
- Describe and apply current research in foot and ankle disorders to improve patient care
- Identify ways to avoid potential complications in foot and ankle procedures
- Compare and contrast treatment options for patients with foot and ankle arthritis
- Incorporate knowledge of patient safety, outcomes and evidence-based medicine into foot and ankle patient care

**STATEMENT OF NEED**

A need for this educational activity has been determined based on previous course evaluations and the AOFAS educational curriculum. The content of this course was based on current issues and topics provided by AOFAS membership and leadership. For more information on the AOFAS CME mission, visit [www.aofas.org](http://www.aofas.org).

**ACCREDITATION**

The American Orthopaedic Foot & Ankle Society (AOFAS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians.

**AMA PRA CREDIT**

The AOFAS designates this live activity for a maximum of **24.5 AMA PRA Category 1 credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity. Course participants are required to submit a completed evaluation form at the end of the course in order to receive CME credit.

**DISCLOSURE**

The AOFAS requires all instructors, planners and other individuals in a position to control or influence the content of an educational activity to disclose all relevant financial relationships or affiliations during the past 12 months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on patients). All identified conflicts of interest must be resolved and the education content vetted by the AOFAS for fair balance, scientific objectivity and appropriateness. The AOFAS also requires faculty to disclose when off-label/unapproved uses of a product are discussed in a CME activity. The AOFAS attests that the persons responsible for the development of this educational activity did so independently and were not influenced by commercial supporters. All financial disclosures will be provided to meeting attendees in the final program materials.

**DISCLAIMER**

The methods, techniques and procedures demonstrated and views and opinions expressed by speakers, presenters and faculty during this continuing medical education program are their own, and do not represent those of the AOFAS nor does presentation on the program represent or constitute endorsement or promotion by the AOFAS. The AOFAS expressly disclaims any warranties or guarantees, expressed or implied, and shall not be liable for damages of any kind in connection with the material, methods, information, techniques, opinions, or procedures expressed, presented or demonstrated.
The goal of this intensive one-day meeting is to review the current strategies for treating foot and ankle arthritis through lectures, case discussions, and a friendly debate between our current and immediate past President on ankle fusion vs replacement. In addition, the program allows time for non-CME industry satellite symposia between the three program sessions. This program complements the Annual Meeting scheduled for the following three days and provides an excellent way to start the meeting in Long Beach.

Welcome Reception 6:00 pm
Join your colleagues in Long Beach for the 2015 AOFAS Annual Meeting. This premier educational event brings together the best and the brightest from all around the globe to focus on orthopaedic foot and ankle surgery. Symposia, original research, invited speakers, ePosters, and opportunities for networking are all included to facilitate learning, sharing and fellowship. New this year is a session on Friday afternoon where you can bring your problem cases to experts for review and discussion. Industry satellite sessions and the Exhibit Hall will showcase the latest technological advances and products, and the meeting mobile app will provide a way to connect with other attendees and speakers throughout the meeting. This year’s meeting promises to engage, educate and excite!

4:00 – 5:30 pm  
CME: 1.5 AMA PRA Category 1 Credits™  
Fee: None, but registration is required

**Strength in Numbers:**  
Research Networks and Multicenter Studies

The 2015 Research Forum will explore the use of multicenter studies in foot and ankle surgery. Specifically, the forum will cover why to conduct multicenter studies, what data to include in a multicenter study, how to set up and run a multicenter study, and how to avoid problems in multicenter studies. It will feature Kurt Spindler, MD, director of the MOON and MARS study groups, along with a diverse panel of foot and ankle surgeons with experience in conducting multicenter studies, and Kara Odom Walker, MD, MPH, MSHS, Deputy Chief Science Officer for the Patient-Centered Outcomes Research Institute (PCORI).

Organized by the AOFAS Research Committee

**YOUNG PHYSICIANS FORUM AND RECEPTION**

5:00 – 6:30 pm Forum  
6:30 – 7:30 pm Reception  
Fee: None, but registration is required  
*(Limited seating)*

If you are an orthopaedic resident, fellow, or young orthopaedic physician under age 45, this event is for you. This year’s forum will be broken out into two rooms for more targeted learning:
- Room 1: Focused on the concerns of residents  
- Room 2: Geared to the concerns of young physicians in practice

Hear from others about their experiences in residency or starting out in practice and the lessons they’ve learned along the way. This interactive forum will include a combined networking reception.

Organized by the AOFAS Young Physicians Committee

WEDNESDAY, JULY 15
6:00 – 8:00 pm
Exhibit Hall – Long Beach Convention Center
Minimum Age: 16

This is your first meet and greet with attendees, their spouses and guests, as well as with industry representatives, all of whom eagerly await your arrival as they present the latest advances in foot and ankle care products and services. Enjoy light appetizers and beverages as you walk through the aisles of the expansive Exhibit Hall. Exhibitor participation is vital to the Society. The AOFAS encourages meeting attendees to support industry efforts by taking advantage of this dedicated time in the Exhibit Hall.

Cost: Included in meeting attendee registration fee
Separate spouse / guest registration is required (minimum age: 16)

Annual Gala – Aquarium of the Pacific

FRIDAY, JULY 17
6:30 – 9:30 pm
Aquarium of the Pacific

Interactive and educational, the Aquarium of the Pacific features numerous exhibits for guests to explore at their leisure while enjoying food and drink. Located just 4 blocks from the Long Beach Convention Center, the evening begins with an outdoor reception; guests will enjoy appetizers and welcome drinks while exploring 'Shark Lagoon'. Docents will guide guests as they reach into the touch pools of baby bamboo sharks, horseshoe crabs, and rays.

Guests will move from the Reception into the two-story Aquarium through the underwater viewing gallery of the sea lion / harbor seal habitat and the southern California-Baja exhibits. Buffet dinner service will include food stations and table seating scattered within the Aquarium’s Great Hall. Food and beverages may be enjoyed throughout all of the galleries:

- **Northern Gallery**: Animals of the Pacific Northwest including puffins, octopus, jellies, and sea otters.
- **Tropical Pacific Gallery**: home to the now famous ‘Nemo & Dory’ clownfish, sea turtles and stunning live coral.
- **Blue Cavern**: A three-story replica of a famous dive site off Catalina Island featuring yellow tail tuna, giant sea bass, leopard sharks and barracuda.
- **Oceans of the Deep**: Unique creatures that live in our ocean beyond the reach of light: moon jelly, nautilus and king crab.

Guests may also enjoy the 4-D Ocean Theatre, sea otter presentation with mammal trainer, and the gift shop. Between 9:00 – 9:30 pm, the exhibits will begin to darken. It’s bedtime for the fish! Guests may remain … perhaps for a final drink, last showing of the 4-D movie, or to wrap up good conversation.

Cost: AOFAS Member, Ortho Resident/ Fellow, Allied Health, and their families
- Adult $75
- Youth (6 – 17 yrs) $35
- Child (5 yrs & under) No Charge

Non-Member Physician and their families
- Adult $100
- Youth (6 – 17 yrs) $35
- Child (5 yrs & under) No Charge

Industry Rep and their families
- Adult $150
- Youth (6 – 17 yrs) $150
- Child (5 yrs & under) No Charge

Spouses and guests who only plan to attend the Annual Gala: Aquarium of the Pacific are required to pay the ticket fee for those events, but not the additional Spouse / Guest Social Fee.

SPOUSE / GUEST REGISTRATION

Paid registration ($55 per person) is required for all spouses and guests who intend to take advantage of any or all of the following:

- **Welcome Reception in the Exhibit Hall** (minimum age: 16)
  Appetizers and refreshments will be served
- **Admission to the Exhibit Hall during posted hours** (minimum age: 16)
- **Continental Breakfasts and Breaks** as scheduled for meeting attendees

See Spouse / Guest Social Fee listing found on the Registration Form. Badges will be issued to registered spouses and guests and must be worn for admission to all of the activities listed above.

WEATHER AND SUGGESTED MEETING ATTIRE

They say it never rains in southern California and in July, especially, sunshine and warmth are the expected norm. With daily average high temperatures of 82°F (27°C) and evening lows of 65°F (18°C), you should plan to bring light, business casual clothing for the day plus a light jacket or sweater for late evenings as well as air conditioned meeting rooms. Sunglasses and sunscreen are recommended, especially for outdoor activities and when on or near the water.

REGISTRATION INFORMATION

Course Policies
Meeting sessions are for registered meeting attendees only. Spouses who are physicians and expect CME for attending the scientific sessions must register as a full meeting attendee and pay the appropriate fees. Food functions and educational displays are meant solely for registered meeting participants plus those who have registered and paid as a spouse or guest of an attendee (see Spouse/Guest Registration section on page 9). The AOFAS regrets that spouses, guests, families, and unregistered staff are not permitted in these areas.

If you have not received your registration confirmation within one week of departure for this meeting please write to aofasinfo@aofas.org or call 800-235-4855 or 847-698-4654 (outside US). The AOFAS will not be responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the meeting.

Meeting registrants are asked to wear their registration name badge throughout the meeting and during AOFAS social events. The AOFAS may photograph or record you as you participate in this meeting and related activities. Lectures and questions from the audience will be captured and recordings made available in the future. Photos and recordings may be used by the AOFAS in future promotional materials. Photography and recording of the sessions by meeting attendees is strictly prohibited.

IMPORTANT DEADLINES
Refunds are available based on the dates shown below for the educational programming portion only. No refunds or exchanges are available for the Annual Gala.
